INTRODUCTION

Can you ever know enough about what turns your lover on? What makes them a seething hot bundle of passion, and what turns them cold as a sleety day in January? Here are 269 questions you can use to unlock each other's secret fantasies, share favorites that are closest to your hearts, and explore tantalizing new ways to play. What better way to get hot and heavy with your lover than to cuddle up and answer these steamy questions? Use them to build anticipation, come up with new ideas for red-hot sex, or just have a sexy good time.

FORBIDDEN FANTASIES

I know you have untapped depths of passion. Tell me, in detail, any sexual fantasy you've always wanted to try—maybe that forbidden thing isn't out of the question.

- 1 Is there any desire that you want to try that you think is taboo?
- 2 Is there an outfit you'd love to wear but haven't because you're afraid I'd think it was too weird?
- 3 Are there any new positions you wanted to try but are too shy to ask me? I'm game!

4 Do you have any sexual fetishes that you want to explore?

5 Do you think sexual fantasies should stay fantasies or be made reality?

6 Are there any secret desires you've never told anyone?

7 Will you tell me?

EITHER/OR

Having to choose between one scenario or the other is exciting and satisfying—and you can always go back another time and test the other option!

8 If you could spy on me through the crack of the door, which would you rather witness—me touching myself, or taking a long, steamy shower?

9 Which would you rather have for your afternoon delight—a lunchtime quickie, or a quick conversation so hot it melts the phone lines?

10 If it was too hot to wear clothes, would we play strip poker, or sit in front of the open refrigerator and play with ice cubes?

11 Which would you rather have—me stripping very seductively and very slowly while you watched or coming home to find me already naked on the bed waiting for you?

12 If I woke you up using my mouth, would you keep your eyes closed and let me have my way with you or would you wake up and join me in my efforts?

I'M SEEING PORN STARS

Let's discuss what our roles would be if we were a part of the growing adult movie industry (and see if we can't make something of our own grow).

13 What do you think you would be famous for if you were a porn star?

14 What do you think I would be famous for if I were a porn star?

15 What porn star name would you invent for me?

16 What kind of porn movie would we make together (kinky, funny, or classy)?

17 When can we make that porn movie?

18 What's your favorite XXX-rated movie?

19 Would you watch your favorite porn movie with me?

20 Would you test out some of the techniques we saw or would you be too shy?

FAVORITES!

Learn which tantalizing tidbits of your sex life are your lover's favorites and create some new ones.

21 What is your favorite erotic memory of me?

22 What is your favorite sexy part of me?

23 Outside the bedroom, what is your favorite household location to have sex?

24 What is your favorite thing about our lovemaking?

25 What is your favorite sexual setting?

26 What is your favorite music to make love to?

27 What is your favorite position?

28 What is your favorite role-playing fantasy?

WOULD YOU, COULD YOU?

You'll never know if you don't ask!

29 Would you ever go skinny dipping?

30 Could we have sex fully clothed?

31 Would you ever work out in the nude?

32 Could we have sex on the bench press?

33 Would you ever sit in the back row of a risqué movie and fool around?

34 Could we make our own risqué movie?

35 Would you be interested in conducting one red-hot photo session?

36 Could we look at sensual sculptures and photography from an art book together in bed?

PUBLIC DISPLAYS OF AFFECTIONS

Let's experience the excitement of being outside and the thrill of getting caught.

37 Oops, I dropped my fork. Would you ever go down on me under the table at a restaurant?

38 Would you be willing to go out without underwear and find a way to do it in public without anyone knowing?

39 Where would you take me to have sex in public?

40 Would you ever have sex while at work?

41 Would you have sex in the corner at a department store?

42 Would you like to make love outside in the rain?

XOXOX

TEASE ME, READ TO ME

Hearing those riveting words coming from your lips will make me tremble with excitement.

43 If I bring my favorite erotica to bed, will you bring yours?

44 I've got an idea for a wildly erotic story—will you help me write it?

45 Can we put a sexy spin on our favorite classic literature—if I were Juliet, would you plunge your dagger into me?

FANTASY ISLAND

Let's treasure our sex life and reward ourselves with a little booty.

46 If you were on a deserted island, what one sex prop would you need (besides me)?

47 If I were to send you on a sexual scavenger hunt throughout the house to find the treasure, would you participate?

48 I've hidden some honey somewhere on my body. With your tongue, do you think you can find it?
